ABOUT THE FNB CO.

The FnB Company is a furniture supplier for the hospitality industry. Since we started, our mission has always been to provide our clients with the highest quality, products and customer service, while maintaining a completely competitive price. We stock a wide range of European and International brands tailored for commercial, hospitality and residential spaces.

Based in our showrooms, our dedicated team works closely with architects, designers, developers and industry professionals to ensure projects are fulfilled successfully. Our design and sales team is always on hand to offer any guidance or support that you might need. We also offer a custom-made service to meet any specific project requests that you might have.

Our dedicated team works closely with architects, designers, developers, and industry professionals to ensure every project is delivered successfully. **Our design and sales team is always available to provide guidance and support. We also offer custom-made solutions to meet specific project requirements.**

WHO WE ARE

At The FnB Co, we strive to become one of the nations leading companies for hospitality furniture supplies, by following a fairly simple philosophy offer a product of outstanding quality with equally outstanding values. The simplicity of that principle is backed up by a lot of hard work and years of experience.

We approach each client with a total dedication to excellence, which is reflected by each employee on every level. **Our team carefully evaluates every potential client through a method developed and tested over years of experience**

SATISFACTION

In our years of management experience, we have learned that customer satisfaction can be summed up in three words: consistency, consistency and consistency. We have achieved superior levels of customer satisfaction **by paying attention to the finest details in everything we do, after which have provided the best consistent services.** That's how we have developed exceptional levels of repeated business.

Combining comfort with style our indoor dining chairs are designed to provide an unmatched and unforgettable dining experience to your customers.

From classy and fashionable velvet fabric seats, to chic and trendy leather seats, we have something for every possible setting. **While our cozy and elegant quilted is a perfect fit for retro themed high-end restaurants, providing the ultimate fine dining experience,** we also have 'Sandi' for casual and more modern dining, in a less formal setting.

Contemporary designs with a hint of sophistication and charm, aesthetically pleasing color combinations, high-end material, and the liberty to customize as per your requirements no doubt our indoor dining chairs are distinct from the rest.

COFFEE & SIDE TABLES

For this category of seating, comfort is the utmost priority. Made to perfectly fill the lonely corners, waiting areas and any space in need of some relaxing seating. Place one of our loungers beside a lamp, and here you have your own aesthetic corner, perfect for your customers to get comfortable, and even for taking insta-perfect shots.

For loungers, our experts have produced classic as well as contemporary designs. 'Ganga', made of solid wooden frame, paired with a rattan seat and backrest, is the finest example of a vintage inspired look, that provides a timeless style, while taking many customers down memory lane. 'Lisa', on the other hand, with a leather seat and a solid wood base, is a combination of elegance and class with a high-end touch, more suited for contemporary settings.

No matter what ambiance and feel you are going for, at FnB we have the perfect lounge for every setting - be it classic, retro, or innovative. We are here to make sure no space goes unnoticed, and every style is complemented perfectly with a comfortable lounge.

Our outdoor dining chairs are designed to take your outdoor dining area to another level, with their semi-formal style, comfort, and elegance. Partially inspired by Tropical Décor, they are made to look and feel good at the same time. Using Aluminum frames for firm support and sturdy designs, we have numerous options for you to choose from.

While we have our 'Maya', made from woven Rattan and a comfortable seat cushion to lighten up your patio, we also have the 'Domingo', an aluminum coated frame, beautified with a teak wood armrest and seat cushion, that fits perfectly with every dining table.

The experts and designers at FnB are determined to provide a remarkable outdoor experience to your customers, making sure they are cozy and comfortable while interacting with nature and this is exactly what our outdoor dining chairs are made for.

Our outdoor living sets are thoughtfully designed to transform open-air spaces into refined extensions of modern living, combining comfort, elegance, and functionality in every detail. Inspired by contemporary resort aesthetics and relaxed outdoor lifestyles, each collection is crafted to create a welcoming atmosphere for gatherings, relaxation, and everyday outdoor moments. Built with durable aluminum frames, weather-resistant materials, and premium cushions, our living sets are made to withstand outdoor conditions while maintaining their sophisticated appeal. From woven rope and textured rattan finishes to sleek teak accents and minimalist silhouettes, every piece is curated to elevate patios, terraces, gardens, and hospitality spaces alike.

At FnB, our designers focus on creating outdoor furniture that balances beauty with lasting performance, ensuring every setting feels inviting, stylish, and effortlessly comfortable. Whether for residential villas, resorts, cafes, or commercial lounges, our outdoor living sets are designed to enhance the outdoor experience and bring people together in comfort and style.
