Product Specification Sheet

DESI ARM CHAIR

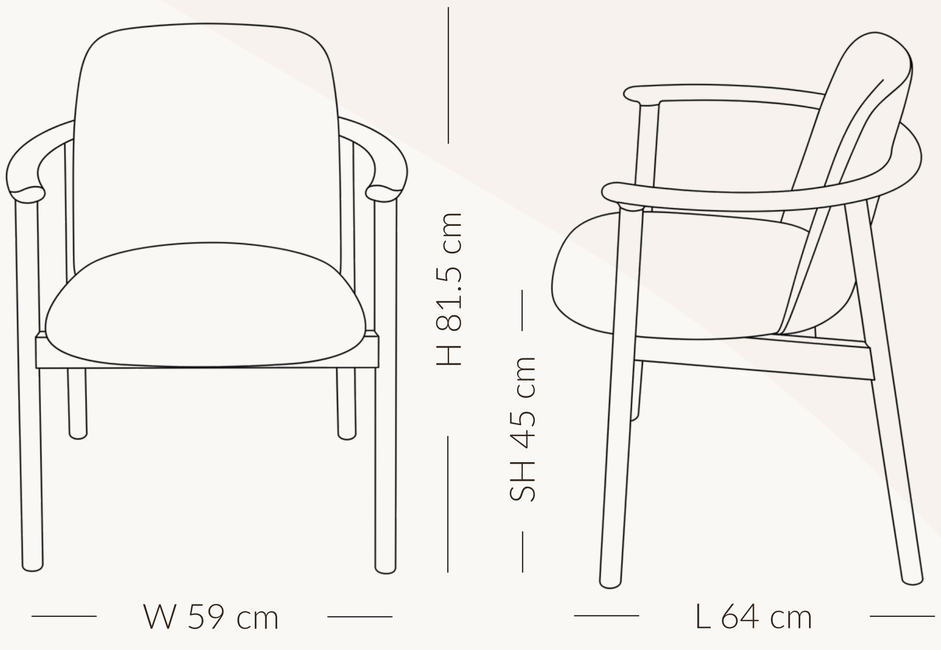

PRODUCT FEATURES

- Solid beech wood structure finished in a deep walnut stain, featuring smooth joinery and supportive armrests.
- PU Upholstery: Easy-to-maintain synthetic leather wrapped over high-density foam padding.
- Spacious width and depth to provide an inviting and comfortable posture for guests.
- Engineered with robust wood construction suited to demanding, high-use commercial and hospitality environments.

DESIGN NOTE

Designed for guest-focused spaces, its refined silhouette and supportive armrests bring sophisticated comfort and natural elegance to upscale dining rooms, hotel lounges, and modern commercial projects.
